+ Description

Nestled at the foot of Champ du Feu is a quality-conscious, organic mountain farm. From father to son, since 1838, the Laufer family has nurtured the landscape and contributed to maintaining an open, welcoming valley, an invitation to rest and stroll. Far from any source of pollution, thanks to environmentally-friendly farming, they produce quality products. All our products are handcrafted to the highest standards of hygiene. We offer a full range of products: raw milk, plain yoghurts or yoghurts with local fruit and no colorants or preservatives, old-fashioned fromage frais (plain, with herbs), crème fraîche, farm butter, bargkass, various mountain cheeses, mountain honey, chocolate dessert cream, Kirsch from our own harvest of small black cherries picked when fully ripe.
