+ Description

Hotel Logis with regional character, garden of rest, groups accepted, specific program for groups, gastronomic cuisine - regional. Covered swimming pool, sauna. 6 rooms with reduced mobility. Fitness room. Free Wifi.

In 2021, a new spa will offer an outdoor balneotherapy pool, a sauna with the scent of Vosges wood, atypical because of its log design, and a bio-climatic swimming pool, without any chemical water treatment elements.

This establishment also offers "nature" rooms, with a surface area of 30 m2.

Each room has a large bathroom with a walk-in shower and a private terrace overlooking the hotel grounds.

The 3 rooms are on the ground floor and can accommodate a maximum of 4 people including two children.

1 room is fully accessible to disabled persons.
