Tour du Faudé
68370 Orbey

+ Description

Follow the panorama circuit Orbey-Faudé. After walking up the 93 steps to reach the top of the tower and admiring an amazing 360-degree landscape it is time for a small gourmet break on this nice picnic area.

For experienced walkers we suggest a 6-hour hike on the “inter welche circuit”, with a small break for a well-deserved snack on this picnic area near the Faudé tower.

Please respect the nature, bring back your waste.
