+ Description

If you hear the word 'Alsace', you automatically think 'wines, vineyards, typical little villages with unpronounceable names, beautiful half-timbered houses with geranium-filled windows...'.

So add to that quality accommodation in a family-run hotel, a walk or hike through the famous Grands Crus, a tasting session with a passionate winemaker and a dinner of local specialities... and you've got not just a holiday, but a total immersion experience with a change of scenery guaranteed!

The walks and hikes on offer are suitable for anyone in good physical condition, are star-shaped (the routes start at the hotel and return to the hotel) and are self-guided (you walk independently with a map and a route description).

You can choose the route according to your level of difficulty:

- 6 to 8 km, i.e. 2 to 3 hours' walking (half-day)
- 12 to 20 km, i.e. 4 to 6 hours' walking (full day)

Equipment required: walking shoes, waterproof protection and small rucksack for the day's essentials, water bottle and cutlery.

Possible all year round, subject to availability.
