+ Description

This circuit mainly follows the plain for a discovery of the landscapes of Alsace. You can admire the Vosges mountain from one side and, from afar, the German Black Forest mountain from the other side. You will follow a large portion of the vineyard bicycle route, for a discovery of these original landscapes.

Points of interest nearby:

- The Alsace Ecomuseum (Ungersheim)
- The Parc du Petit Prince (Ungersheim)
- The town of Soultzmatt
- The Carreau Rodolphe (mining heritage) (Ungersheim)
