**45 rue de la république
68500 Guebwiller**

+ Description

Explore the heritage of the town of Guebwiller, with its three churches, and more.

This ride will also take you to Soultz and Hartmannswiller. During the First World War, the village of Hartmannswiller was at the centre of one of the most important and deadly battles of this tragic time. This battle took place on the Hartmannswillerkopf, a mountain which dominates the village.
