+ Description

This route allows you to enjoy the diversity and richness of the Guebwiller region and its surroundings.

During the first part, you will travel through a very natural and peaceful environment. The beginning of the route contains 2 mountain passes; the Col du Bannstein at km 7 (the slope is relatively gentle), then the Col du Firstplan at km 20.

You will need to make a final push by climbing the "Route des Cinq Châteaux" (Five Castle Route) where you can admire the Hohlandsbourg Castle and its magnificent view, as well as the 3 castles of Husseren and Pflixbourg Castle.

You will then return via the Wine Route with a view over the vineyards and the Vosges mountain range. A wonderful escape in sight.
