+ Description

Identical to the Nordic and Scandinavian countries, our Le Spa Nordique Wellness Institute introduces you to the concept of thermorelaxation. This concept consists of alternating hot, cold and rest. Discover this unique experience on a space of 3320 m2, in the heart of the forest: saunas, hammams, kota restaurant, a balneo indoor pool, fitness tent, Nordic cave and modelling cave... travel in the universe of Scandinavian countries, land of ice and fire.
