+ Description

3 kilometers from Marlenheim, the official start of the Alsace Wine Route, Nicole and Joseph Vierling work their land with passion and respect for nature. They vinify their wines with the utmost care to bring out the aromas and fruitiness of the different grape varieties typical of Alsace wines. In addition to wines made from traditional grape varieties, they also offer Vangenberg, the Domaine's specialty. The cultivated terroir is located in the Kuttolsheim area, and is part of the Couronne d'Or AOC of the greater Strasbourg region.

Outside opening hours, or simply to give you the best possible welcome, it's best to announce your visit. Delphine, the daughter (because it's a family affair), will be delighted to welcome you!
