+ Description

Come and discover the Spa de la Colline, a haven of peace in the heart of the Alsace vineyards. Located at the Hôtel du Bollenberg, you can enjoy it if you are staying at the hotel or with "Day Spa" packages available to non-hotel guests. The Spa de la Colline offers a relaxation area with a heated indoor swimming pool, an outdoor swimming pool (open in summer), an indoor Finnish sauna and an outdoor barrel sauna, a hammam, a Physiotherm cabin and a salt grotto with water beds, all in a zen and hushed atmosphere, as well as an area dedicated to treatments. We offer a full range of facial and body treatments, as well as relaxing and soothing massages that are an invitation to travel and total relaxation, for both men and women. Spa manager Marlène Birger has won the title of French Massage Champion in 2023 and invites you to discover her 60-minute "Champion of France" massage!
