+ Description

Obernai is the second-largest tourist town in the Bas-Rhin region, and one of the hundred "Most Beautiful Detours in France". Who better than a passionate, professional guide to take you through its narrow streets and squares, along its ramparts? And why not book a tasting session in the cellar with a winegrower?

Come and discover the rich heritage and intense history for which Obernai is famous. Obernai, you'll A-D-O-R-E-R!

Our guides are also available to take you on a tour of Mont Sainte Odile, or to explore the Wine Route ... In French, German, English, Italian, Spanish, Catalan, Croatian or Japanese.
