+ Description

La maison aux 5 croix envelops you in a cocoon of softness and authenticity. Nestled in the heart of a small Alsatian village, Blaesheim, the house is part of a family-run farmhouse where several generations have lived together, determined to preserve its values and history.

The gîte is a 120 m² house on 3 levels, with 3 bedrooms and a large living room for up to 6 people, accessible via an outside staircase. On the second floor is the sleeping area: each of the three bedrooms has a private bathroom with shower and toilet, and is equipped with double beds (160x200cm), double-glazed windows and electric shutters.
The living area on the 2nd floor comprises a fitted kitchen opening onto the living room, a dining area and a lounge.
A shaded, covered terrace lets you enjoy the outdoors, sheltered from any inclement weather or summer heat.

The house, built in the 1930s, was completely renovated in 2023, taking into account the durability of the materials and respect for the building. Most of the furniture is family heirloom or antique.
Our aim is to maintain our heritage and perpetuate family values. Come and experience the past in the present!
