+ Description

This circuit takes you on horseback between Alsace and Lorraine while remaining in the heart of the Vosges mountains. From the former lands of the principality of Salm, you pass on the Lorraine side, following the direction of the old "Sentier des Passeurs" until Moussey, historical way of the Second World War. You then pass the Hantz pass to come back to the Alsatian side, before going down quietly along the Bruche river by the cycling route of the valley until Schirmeck.
