+ Description

La Folie Marco is a big house with 3 floors. It has been built in the 18th century from Louis-Félix Marco. Today you can visit a museum there with Alsatian middle-class furniture from 17th to 19th century.

Come in this house and admire collections of earthenware, porcelain and tin.

Look at the nice view over the Plaine d'Alsace and the Black Forest. Do not miss the beautiful garden behind the museum!
