+ Description

An amazing new "Nature Spa" at the 5* La Cheneaudière Relais & Châteaux in the Bruche Valley in Alsace:
- The spa is open all week in an unspoilt natural setting where the great outdoors mean peace and quiet: mineral, vegetal, wood... A relaxing world bathed in pure water, light and warmth.
- 2500m² devoted to wellness and rest with countless facilities including 4 pools, 5 saunas including 1 glass sauna on stilts, 1 large hammam-hive, a wood bath, a micro-bullage beach, sensory showers and more.
- A range of ""Simples et Miel"" natural cosmetics designed by Mireille François, the owner of the establishment, telling the story of the Bruche Valley's abundant nature.
- 3 large private suites for exceptional treatments: "prairie", "forest" and "mountain".

An ode to Nature:
The "Nature Spa" is lucky enough to be surrounded by unspoilt nature.
Most of the spaces have incredible views of the surrounding landscapes just like the exceptional 90m² "Les Cimes" suite at the top of the spa with a hot tub on a private panoramic terrace.
It's like you're hanging in the sky. The forest, valley and traditional village of Colroy-La-Roche glitter with soft changing colours below.
The facilities, equipment and treatments are in line with nature as reflected by the countless wooden and stone fixtures.
