+ Description

Bellefosse, or Béfoss in the local dialect, was part of the feudal domain of Ban de la Roche. The hike will take you to the hills of Bellefosse, up to the ruins of the Roche Castle known as "zum Stein" or "Steinschloss", then across the summits to see the feudal lands of Lachamp. Lastly, you can enjoy a meal at one of the two farmhouse restaurants, the Ban de la Roche or Le Promont.
