3 A rue Liebermann
67120 Molsheim

+ Description

Audrey is fascinated by clay work. The red clay is turned, printed, poured, modeled…
After a good drying and baked in the oven, it becomes a terra-cotta. Then it is baked again after the laying of the enamel.
Audrey also turns utilitarian potteries in white stoneware which is baked in high-temperature.

Come and see her working in her workshop.

She also leads workshops of earth modeling
