For 1 hour or more, in a private room, explore different musical styles. There's only one rule for scoring points: be the fastest to give the right answer!

Game available in English!

Fifteen songs per round, so 15 ways to find the name of an artist, series or film.

The first voice-recognition Blind Test game! Use a telephone to give your answer orally.

Alone or in teams, from 2 to 12 participants, who will have the best musical culture?

Whatever your age and tastes, play the trend or the experience: 6000 titles, 5 levels of difficulty, 60 repertoires imagined by 3 categories:

Classics: "80s", "Pop Rock Only", "Vive la France", "Music from the TV series"...

Originals: "Kitch & Démodé", "Chanteurs à moustache", "Club hits", "Disney"...

For those over 30: "Tiktok", "French Rap", "Urban Pop"...

Launch the round (15 songs) that will make you shine, and start again! Zap whenever you like. Does a song make you dance on the table? Let the music play, ThisisBlindTest is a game punctuated by a party.
