67110 Niederbronn les Bains

+ Description

Cyclopean enclosure on the summit of the Ziegenberg. Very beautiful sight-seeing on the Falkensteinerbach valley. The legend says that an airlift connected formerly the Celtic camp to the garden of the fairies being on the Riesberg (close to Wasenbourg). The white lady or the fairies borrowed it sometimes to carry the news from a crowned mount to the other. One said last century "Go up on Ziegenburi to confess the Pagans".
