+ Description

This discovery tour of the castle and its surroundings brings the family together in the heart of a true medieval adventure. It mixes the real with the imaginary in life-size game scenes and involves actors of all ages in the same quest: find the Fleckenstein treasure and rebuild the castle. Do you dare to dive into the spiral of space and time and cross walls and centuries in the wake of the knight-ghost Hugo? At last, a castle visit that is as fun as it is enriching, bringing together all generations in a great moment of relaxation and conviviality!
