9 rue Jeanne d'Arc
67110 Reichshoffen

+ Description

The lively and fascinating history of a town in the northern Vosges, founded by Gallo-Roman craftsmen, often destroyed by war but always rebuilt. For more than three centuries, its tumultuous and tragic destiny has been linked to that of a family of enterprising and innovative industrialists, the Dietrichs, who have acquired an international reputation. Beautiful models as well as objects and documents mark out the visitor's path, from prehistory to the 20th century.
