+ Description

The *Double Face ensemble* will bring to life a moment of artistic renaissance with *Baroque Blossoms – Peace Restored in Strasbourg*. Through Philipp Friedrich Böhdecker's (1607–1683) *Sacra Partitura* (1651), composed in the still-shaking aftermath of the Thirty Years' War, a musical world in the process of reconstruction comes to life: Italian influence meets a deeply rooted Rhenish sensibility, in a style of composition that is both expressive and luminous.
