Located in the heart of Alsace, on the heights of the charming wine-producing village of Orschwiller, the Haut-Koenigsbourg castle majestically dominates the entire plain at an altitude of 755 metres. It is impossible to miss this Alsatian emblem, one of the most visited monuments in the region!

It is also the starting and finishing point for many hikes. The Haut-Koenigsbourg massif offers a real diversity of paths with remarkable landscapes and reserves pure moments of happiness for those who love contemplation.

The Haut-Koenigsbourg offers sublime panoramic views... and in good weather, it is not unusual to be able to see the Alps!
