+ Description

Anatomy of a restoration: the rediscovered splendour of the Rhineland Renaissance.

Armed with binocular magnifying glasses, scalpels, lasers and cotton buds, a team of experts is hard at work. But who are these scientists tending to works of art?

Through the exceptional restoration of the Nativity Altarpiece, a painted and sculpted treasure from the *Humanist Library*, and other Alsatian works, discover the work of the restorers who care for objects protected as historic monuments in Alsace.

Temporary exhibition room.

Free admission to the exhibition on the first Sunday of every month.
