+ Description

Set off to explore Kintzheim on a guided tour lasting around an hour, taking in both the built heritage and the typical Alsatian landscapes.

In the heart of the village, admire the half-timbered houses, fountains and remarkable buildings that bear witness to a rich wine-growing history. For centuries, winegrowing has shaped Kintzheim’s identity, particularly through its renowned terroirs and traditions that remain very much alive.

Extend your walk by taking the narrow paths that wind through gardens, orchards and vineyards, for a charming immersion in nature.

A getaway combining culture, nature and the Alsatian way of life.
