From May onwards

Make the most of your stay to slow down and get some fresh air! Hire an electric bike (for adults) from the Sélestat Haut-Koenigsbourg Tourisme reception office and set off on one of the many cycle paths in Châtenois and the surrounding area.

Take the Véloroute du Vignoble, a unique ride through the heart of the vineyards, where picture-postcard landscapes follow one after another. Dominated by the Château du Haut-Koenigsbourg, the route winds its way between the vineyards and typical villages of the Wine Route. Stop off and visit one of the many wine cellars, where the winegrowers will be delighted to share their expertise with you.
Explore the Ried: its plains, wheat fields and sunflower beds. Watch the storks take flight and enjoy the peace and quiet of the Ill*Wald nature reserve.
In Sélestat, stroll around the old buildings, walk along the Quai de l'Ill and discover the town from a new angle.
Get back on the road and enjoy the moment.

With nearly 70 km of routes in our region, getting around by bike is a breeze!
Hire an electric bike (e-bike) from Sélestat Haut-Koenigsbourg Tourisme. With an average range of 90 km on flat terrain and 60 km in the mountains, hiring an e-bike guarantees an effortless ride!
