+ Description

The team of the Tourist Office awaits you in the premises of the esKapade, this cultural space in the heart of the village of Truchtersheim.

Here you will find all the documentation and informations concerning the activities to be done in the Kochersberg and the Zorn. We also have brochures that cover the whole of Alsace, so don't hesitate to come and visit us if you are looking for inspiration.

A small shop offers local and made in Alsace products !
