67860 Friesenheim Neunkirch

+ Description

The oldest written mention of Neunkirch is from the 13th century. Its location, far away from busy main roads, makes this site a haven of peace, quiet and rejuvenation. It became a pilgrimage site after a statuette of the Virgin Mary was found here. Legend has it that the statuette was found by a shepherd and taken away nine times, but that the statuette always came back to its original location.
