+ Description

The tourist office is pleased to invite you to discover the Ried. Once you have admired the built heritage while strolling through our town, you will only have to cross the Ill river to enter one of the richest natural regions of Alsace: the Grand Ried. Several walking circuits have been created to arouse your desire to discover and share the secrets (nature, history, heritage, activities ...) of the villages of the Grand Ried. We also offer you other possibilities: by bike, by horse-drawn carriage or by canoe.
