67130 Natzwiller

+ Description

Opened in 1941, Struthof is the only structure of its type on French soil. 52,000 prisoners were forced to work in the quarry near the camp. 22,000 people died here, often of hunger and exhaustion. But some also died in an "experimental" gas chamber which makes this camp an essential place of remembrance.

Horaire(s) d'ouverture
