+ Description

Le Ravito des Cyclos invites you to discover Lionel Grob, a committed singer-songwriter and humorist who handles irony and poetry with finesse. Between laughter and reflection, he sings of a world where we prefer side roads to highways, and where waste has no place. Enjoy an organic refreshment bar and tasty tarts flambées, in a friendly, authentic atmosphere. Join us by bike, scooter or on foot along the Bruche canal, on Eurovélo 5, between Molsheim and Strasbourg. The event will be cancelled in the event of bad weather.
