67110 Zinswiller

+ Description

Zinswiller is situated 6 km from Niederbronn-les-Bains, at the opening to the Zinsel du Nord valley. This Commune is primarily industrial (it contains a XVIth century blast furnace) and is particularly famous for the De Dietrich factory, which produces enamel containers for the chemical industry. Access to the ruins of Arnsberg and Ramstein is through the valley in the direction of Baerenthal.
