**395a La Place**  
**Espace des Métiers du Bois et du Patrimoine**  
**68910 Labaroche**

## + Description

Come and discover with your family the wood museum.

Located on 3 levels, this museum conceals treasures and unique pieces. It is a lively space and the guide, a true living memory, will fascinate you with all these anecdotes from the past.

Children will be put to work to operate the machines, will discover the essences of wood and will be amazed by the space reserved for wooden toys.
