38 Rue du château
68480 Ferrette

+ Description

Created in 2009 by the Friends of the Castle of Ferrette association, the ""Courtil St Fiacre"" medieval garden consists, as in the Middle Ages, of plots, each of which has a special purpose: spices, medicinal plants, vegetables or magic plants...

The layout of the garden scrupulously adheres to the information provided by the Capitulary of Charlemagne and the Plan of St Gallen.
