+ Description

Set off now to discover another side of Alsace, medieval and mysterious!

Along this route, discover, from north to south:

Wissembourg, Fleckenstein, Wasenbourg, Bouwxiller, Lichtenberg, La Petite Pierre, Haut-Barr, Westhoffen, Pierre-Percée, Wangenbourg, Nideck, Wangen, Wasselonne, Obernai, Kagenfels, Birkenfels, Châtenois, Ortenbourg, Ramstein, Kintzheim (Volerie des Aigles), Haut-Koenigsbourg, Hohlandsbourg, as well as Ferrette and Landskron.

Immerse yourself in the heart of Alsatian history, exploring castles, of course, but also beautiful ramparts and charming towns... not to mention all those who bring them to life on a daily basis.
