## + Description

At the heart of the Vosges Mountains between Alsace and Lorraine, at the summit of Donon Pass at some 727m in altitude, Le Velleda Hotel-Restaurant has been converted from a mansion into a cosy, friendly place to stay. You can choose from spacious, comfortably arranged rooms on the 1st floor or newly converted rooms in the annex near the wellness centre.

Vast, luminous dining rooms open out onto the beautiful natural spaces and invite you to enjoy bourgeois cuisine, with game dishes and regional specialities to choose from.

from the hotel, you can discover the countless country paths on foot, horse-back or mountain bike, cross country skiing or equipped with snowshoes as you set out and explore the mythical Donon Mountain, in a particularly well preserved forest, vast stretches of which have been listed in Natura 2000.
