+ Description

For three generations, the Pfister patisserie has been perpetuating the flavors of the traditional Alsace region. If you'd like to discover them, we're happy to welcome you for gourmet breaks: lunch (lunch is available all day), afternoon tea or a thousand sweet treats to take away. A sweet paradise in the heart of the Val de Villé.
Specialities: gingerbread, fruit tarts, bredele, mille-feuilles, vacherin glacé, chocolates, fruit jellies. Viennese chocolate, special coffees and teas, our range of white and red wines and aperitifs.
