67530 Boersch**

+ Description

Vélorando-Alsace offers you the possibility to rent electrically assisted bicycles with or without a guided tour, with a choice of different formulas. In contact with the real actors of our land and our history, 100 meters from our home, you will cross the green way "Les Portes du Bonheur", an extraordinary experience with a guided tour in complete safety. Personalized advice. Bicycle enthusiasts at your service "We make people happy".
