+ Description

Running race open to all, organized by "Courir à Obernai". The 11 kms around the town and the altitude difference (150m) mean that runners who are used to flat courses and those who prefer hilly ones can compete, half on the road and half on the trail, with the climb to Mont National at the 6th kilometer. The passage to the Croix Blanche will give runners a glimpse of the beautiful town of Obernai. The rest of the route will allow you to unwind your stride and finish on the town's rampart.
Prices for runners: 12€ until 17/06/2024 - 15€ thereafter.
No on-site registration. Registration only via www.sporkrono.fr/
