+ Description

The "Musique à Obernai" association presents a series of concerts as part of the 15th Obernai Music Festival. The presence of internationally renowned performers and high quality concerts will appeal to a varied audience.

"The sea is fine, the breeze is light, the sails are getting impatient... it's time to weigh anchor and climb aboard this 15th edition.

The voyage is a well-known allegory when embarking on an adventure, and it's also what musicians often wish each other before taking to the stage: bon voyage!

The program includes 8 concerts and as many islands to tackle, landscapes to discover and lands to explore. See the program under 'Documents to download'.

On Thursday July 24, a new event at the Obernai music school, for 6 student violinists selected by application until June 15: a violin masterclass led by Geneviève Laurenceau.
