La Maison de la Choucroute - Le Pic

67210 Meistratzheim

+ Description

We've come a long way since the Muller family used to ferment their cabbage naturally in 5 vats at the back of their house. Today, 5,000 tons of sauerkraut are processed every year and shipped to France, Europe and even the United States. La Maison de la Choucroute Le Pic offers a wide variety of recipes and packaging for its benchmark vegetable. Guided tour of a sauerkraut factory and its production facilities, with tasting. Length approx. 2 hrs. Wearing a mask is required by Le Pic.
