+ Description

20 hours is the time it takes to cover 100 km on an Audax walk, at the set pace of 6 km/h. Anyone crazy enough to walk 20 hours will tell you that it's first and foremost a test of endurance, with its joys (the satisfaction of having gone all the way, the pleasure of walking together), and its sorrows (blisters, cramps, fatigue, etc.). 100 km loop: this is the annual Obernai 20-hour event. It comprises four loops of 25 / 50 / 75 / 100 km, starting and finishing at the same place.
