## + Description

Jeannine Gillmann, from Barr, paints porcelain objects such as vases, pocket trays, candleholders and other decorative items, using a feather, brush or sponge, and fires them in a high-temperature kiln to bring out the colors.

Patricia Doignon, also from Barroise, takes you on a colorful world tour to discover remarkable landscapes, painted on canvases of various sizes, using acrylics and knives. Other handcrafted creations include framed posters, original cards and bookmarks.

Come and admire their creations and discuss them with us!
