7 rue du Maréchal Juin
Périscolaire Europe
67210 Obernai

+ Description

REPAIR CAFE organized by the Communauté de Communes du Pays de Sainte Odile.

What is a Repair Café? It's a place for exchanging and sharing knowledge, where you can see how to "co-repair" your broken, damaged or broken-down small household appliances with the help of volunteers: from the electric kettle to the toaster, not forgetting power tools, image and sound equipment and computers....

A multimedia coordinator will also be on hand to service and diagnose your computer equipment.

You'll learn how to repair your equipment yourself, as well as how to prevent breakdowns and/or extend the life of everyday items.

Horaire(s) d'ouverture

21/11/2026

Saturday from 09:00 to 12:00 Saturday from 13:30 to 16:30
