+ Description

The plain castle of Niedernai, whose oldest parts date back at least 800 years, was bought in 2019 by Count and Countess Christian d'Andlau-Hombourg and their children, to be restored and opened to the public, in order to bear witness to its colorful history and important cultural heritage.

On the weekends of December 6 and 7, 13 and 14, and 20 and 21, 2025, from 3pm to 7pm, the château will be hosting a Christmas market in the park.

Local artisans, entertainment and food and drink stalls will be on hand.

From 6pm, the restaurant will be serving tarts flambées to extend the evening.
