+ Description

The concert will be followed by a convivial time to celebrate the end of the season in the Cour Athic*!

* In the event of bad weather, the concert will be held in the auditorium.

With its musical mix of krautrock, electro, rock'n'roll and cumbia, this concert is an invitation to travel. From fruit cocktails sipped on a heavenly beach to the muggy heat of a South American capital, OURK takes young and old on a joyous, danceable journey.

Each musician has concocted his or her own "instrumentarium", featuring an abundance of electric, acoustic and electronic instruments. We move from drum machine to drums, from bass to electric guitar, while the charango (a Bolivian stringed instrument) and the dobro also feature. Passionate about lutherie, the artists have at their disposal a wide range of sound and mechanical objects, each one crazier than the next. A true batucada bruitiste! Sometimes they sing in Portuguese, sometimes in English...

OURK is an experience to be shared with family, school and friends of all ages. An invitation to party! A change of scenery guaranteed.
