## + Description

The Errância company is taking up residence at 13e sens for the creation of their show LE DEBUT DE LA FIN from September 18 to 25. Come and see an extract from the show and chat with the artists!

"Some said he was waiting for Godot..., but he doesn't read. He doesn't know what he's waiting for. He'll invent dramas just for laughs.

Some said, so if you see a man tap-dancing to a cross - don't be suspicious - he's there to pass the time and do acrobatics with your troubles.

Talk about boredom through wandering...and that his boredom would take him to a destiny he was playing out without knowing what he was carving out for himself - playing out his destiny."

LE DEBUT DE LA FIN is a dystopian circus piece that speaks of liberation through the deconstruction of the clown - a symbol of transgression, the one who is crucified in every era. Melancholy joy is the clumsy hand of destiny that sows havoc and frightens reality.
