## + Description

The Inéluctable company is taking up residence at 13e sens for the creation of their show CE(UX) QUI RESTE(NT) from October 6 to 12. Come and see an extract from the show and chat with the artists!

The show begins with a common story: the loss of a loved one, a circus artist. It is through them that Marius Fouilland and Aimé Rauzier come together in this piece to question their relationship between life and death. Driven by their acrobatic and choreographic language, puppets and humans become one, with the living manipulating the inert and the inert manipulating the living... Two to fall, 4 to rise.

### Horaire(s) d'ouverture
