+ Description

The Attentifs company will be in residence at 13e sens for the creation of their show **COMME UN VERTIGE...** from November 24 to 30. Come and see an extract from the show and chat with the artists!

COMME UN VERTIGE... uses philosophy and circus to explore the enigma of ecological denial. How do we avert our gaze from environmental catastrophe? How do we live carefree in a burning house?

On stage, eco-anxious lecturer-philosopher Guillaume Clayssen and four joyfully lucid young artists from the Académie Fratellini compose a tragi-comic poem about our world. Each, through juggling and acro-dance, embodies the hieroglyphs of a disconnected humanity, while dialoguing with the ideas of ecological thinking. This project is based on ecological principles, recycling costumes and creating a lightweight set.
