+ Description

The two artists are exhibiting their work together, with Simone Dubois presenting her ceramics and Jacques Stegel his knife paintings.

After taking up modelling, Simone Dubois became particularly attracted to ceramics and raku. Her creations reflect her emotional states, and her creative approach is based on imagination, instinct, sensitivity and sensuality!

Jacques Stegel's work with knives has become a real source of fulfillment for this self-taught painter. He likes to play with nuances in his abstract works, or to play with realism in his figurative paintings.
